

Coronavirus Information

Update: 6/12/2020

Beginning July 1, we will **open our lobby** to our members for daily transactions.

MASKS and SOCIAL DISTANCING will be required for the safety of our employees and our members.

You must use the drive-thru if you elect not to wear a mask.

We still encourage you to use our Virtual Branch, apply for a Visa debit card, utilize direct deposit and our night deposit drop box.
