

Coronavirus Information

Update: 3/18/2020

At this time, **we remain open** for normal business hours.

However, for your safety, and those of all members and staff, we will **close our lobby on Friday, March 20** until further notice in order to limit contact as recommended by health officials.

All transactions will be done at our drive-thru window and encourage you to bank at home via our Virtual Branch, apply for our Visa debit card, ask about direct deposit and use our night deposit drop box.
